PopStop Tech Free Test Agreement

Between Preston Porter, doing business as Porter Mercantile, Thayer, Missouri ("Provider"), and the shop named below ("Shop")

Shop name: _____ **License key(s):** _____
Test period: from _____ to _____ (or until either party ends it)

1. Free test only

Provider gives Shop a PopStop Tech license key to test and evaluate the app at no charge. No payment is owed, and Shop is not obligated to buy anything later. This agreement does not create a partnership, employment, or any ongoing service commitment.

2. No warranty ("as is")

PopStop is test software and is provided "as is," with no warranty of any kind, including that it is error-free, fit for a particular purpose, or will find or remove every unwanted app. Shop decides whether to remove any app from a customer's phone and is responsible for its own customers. Shop should back up important data before using PopStop.

3. Limit of liability

To the extent allowed by law, Provider is not responsible for any lost data, damaged devices, lost business, customer claims, or other losses from using or being unable to use PopStop.

4. Provider can turn off the key at any time

The license key belongs to Provider. Provider may revoke, deactivate, or replace it at any time, for any reason, with or without notice. When the test ends, removal features stop working unless Shop buys a license.

5. No sharing or reselling

Shop will use PopStop only inside its own business, on up to 3 devices per key. Shop will not copy, share, post, give away, sell, rent, or resell the app or its license key, and will not try to modify, reverse-engineer, or get around the license check.

6. Feedback

Shop is encouraged to report bugs and ideas. Provider may use that feedback to improve PopStop, at no cost to Provider.

7. General

Either party may end this test at any time by telling the other. Sections 2, 3, and 5 continue after it ends. This agreement is governed by Missouri law and is the entire agreement about the test.
